CE/Technical Electives:
Justification:
Technical Elective Requirements: 1. May be a department offering, including a graduate course for undergraduate credit (following applicable rules) 2. The course must be above the fundamental level in the topic (no freshman course is acceptable) 3. There must be a logical relationship between the course and a major interest area of the student. This category is not a place to put courses already taken which do not have a place elsewhere in the curriculum.

General Education Requirement	Courses	Note any Substitutions
Writing Intensive Courses	English 101, 102; CE 205	
Oral Communication Course	CE 205	

Notes:

This document is intended to be used as a guide for advising and monitoring student performance. The official requirements for the degree program are given in The University of Tennessee undergraduate catalog.
